Bunker Hill Village Honors Public Works Employees *Gama Escamilla and Oziel Reyna*

Public Works Works!

Gama Escamilla and Oziel Reyna, long time employees of the City's Public Works Department were recently honored by a tree planted in their names. These experts and professionals keep the City going year after year. As a token of our appreciation, a tree was planted by the City to honor them and say "thank you."

Gama celebrated his 25th year with the City in 2016 and Oz is right behind him with 18 years in Bunker Hill. These fine men are truly appreciated! Their tree is planted along Memorial Drive across from City Hall along the City's Arbor Tribute Walk. The City's Arbor Tribute Walk is a part of the City's beautification efforts to honor individuals and sustain the City's tree canopy for years to come.
