Dear Residents:

CenterPoint Energy's Contractors will be trimming trees around our overhead power lines in the southeast area of the City of Bunker Hill Village starting this week. The area is shown on the map below. This is the area south of Greenbay and east of Mayerling and will include lines along Memorial Drive and Blalock Road.

If you have any questions or concerns, please contact CenterPoint's Forester, Mr. Ken Lindsey at 713 - 945-4570.

Thank you!
