

# City of BUNKER HILL VILLAGE NEWSLETTER

PUBLISHED BY THE CITY OF BUNKER HILL VILLAGE | WWW.BUNKERHILLTX.GOV

October 2018

## *A Note from Mayor Williams*

### **Dear Residents:**

There have been newspaper articles as well as rumors about Bunker Hill's status as a participant in the Village Fire Department. First and foremost, Bunker Hill Village remains a part of the Village Fire Department through December 2019 and hopefully for many years thereafter.

Over the next 60 days, Bunker Hill and the Fire Commission will evaluate the opportunity to place a sub-station in the south/southwest part of the VFD service area. Bunker Hill will commission an architect and a fire/ems operations consultant and present options to the Fire Commission. The Fire Commission has made no commitments to build a sub-station, but is open to considering our proposal.

In addition, I also want to correct some misinformation being spread that the City of Houston could become our primary Fire/EMS provider. This has never been considered an option for Bunker Hill. If we ever left the VFD, the City of Houston would fill the same role as they currently fill with the VFD: helping fight structural house fires under a mutual aid agreement.

We are encouraged about the opportunity to reduce our response times while staying in the Village Fire Department.

Thank you,  
**Mayor Jay Williams**

*Dear Residents,*

It is hard to believe that the holidays are quickly approaching! We wanted to make sure you save the date for the **2<sup>nd</sup> Annual Twinkle Light Parade** set for **Thursday, December 20 beginning at 6:00 p.m.** We are working on the details so be sure you check your v-linc or the website for the parade route as the event approaches. We are also welcoming other **"lighted floats"** to join us. We will include the **first five** that contact me and reserve their spot. Call me at 713-467-9762 before Thursday, December 6 so we can finalize all plans.

I am also providing our holiday office hours below so you can plan accordingly especially for any permitting needs including final inspections.

Please see our project update on the back of this newsletter. We are hoping to open up Bunker Hill Road in November, weather permitting.

Happy holiday planning and we will see you at the parade!!

*Karen Glynn, City Administrator*

### **City Hall Holiday Hours:**

**Thanksgiving:** Closing at Noon Wednesday, November 21;  
Reopening Monday, November 26

**Christmas/New Years:** Closing Friday, December 21;  
Reopening Wednesday, January 2, 2019

*Staff will be taking holiday and vacation time.*

**Twinkle Light Parade**  
**Thursday, December 20<sup>th</sup> ~ 6:00 p.m.**
