APRIL 2018

Dear Residents -

The City Council approved moving forward with construction for a large drainage project in the Taylorcrest Road, Bunker Hill Road, North Williamsburg Lane and Cobblestone West Areas. This is our highest priority drainage project in the City as identified in the City's Drainage Master Plan. This project will also include needed water and sewer rehabilitation in these areas. Construction should begin in June to take advantage of our summer months and lighter traffic.

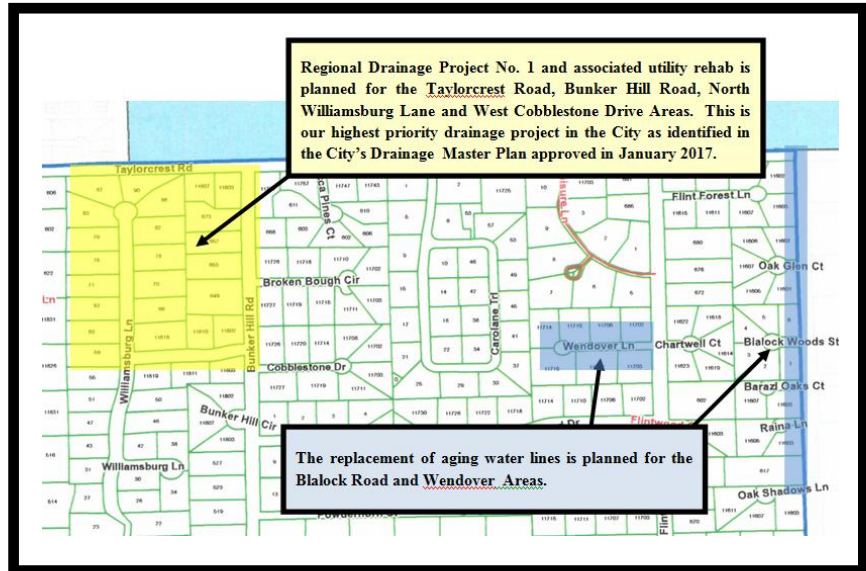

Traffic on Taylorcrest as well as Bunker Hill Road will be impacted. We have noted in the construction contract that lane closures along Taylorcrest must be completed during the summer months while we have reduced traffic as a result of the summer school break. We are currently working with the contractor on the traffic impact to Bunker Hill Road.

A separate project will also begin this summer. This project will construct new water lines along Blalock Lane and Wendover Lane. We will share all project information as it is available. Please note that v-linc will serve as our primary means of communications to provide timely updates on this project.

Please join us for a "Town Hall/Open House" meeting to share more detailed information:

Bunker Hill City Hall
5:30 p.m. – 7:30 p.m.

We certainly understand the inconvenience that will come with these projects as with all of our construction projects. Though inconvenienced, we hope you understand the need to ensure improved drainage and the rehabilitation of utilities in your City.

Again, we thank you in advance for your patience and understanding and we look forward to seeing you at the Town Hall/Open House Meeting in May. Thank you! **Karen Glynn**
City Administrator

Congratulations and Thank You to our elected officials:

Susan Schwarz, Jay Smyre and Robert Lord

They each submitted their application to serve another two year term on the City Council. These candidates were unopposed. As a result, there is no City Election in May.

Please note this friendly reminder that **"Hurricane Season"** begins June 1st. Please see the City's website for important **Emergency Preparedness Information**.

Save the Date! Wednesday, July 4th, marks the **Memorial Villages' 26th Annual Villages Independence Festival**.

MVPD and Bunker Hill are hosting **Rape Aggression Defense (RAD) Summer Classes** for women.

These are great for our college and high school age women.

A **Hunter's Safety Class** is also planned for August.

Watch v-linc for more information!!
