PLANNING AND ZONING COMMISSION
Agenda Request**

Agenda Date: September 27, 2022

Agenda Item Number: III

Subject/Proceeding: **CONSIDERATION AND POSSIBLE ACTION TO APPROVE A PRELIMINARY PLAT FOR 409 BUNKER HILL ROAD**

Exhibits: Location Map
Preliminary Plat

Approval(s): Karen Glynn
Steve Smith

Executive Summary

Plans for construction of a new home at 409 Bunker Hill Road were recently submitted for review. During the plan review, it was found that no final plat was ever recorded with Harris County. As a result, the property owner's representatives have submitted the attached preliminary plat for the Planning and Zoning Commission and ultimately, the City Council's approval. The property does not qualify for a short form final plat as the property does not lie within an existing public street circulation. Jack Lane is considered as a private street; however, the street addressing for properties along Jack Lane has been set as Bunker Hill Road.

Staff and our consultant have met with the property representatives for the required planning meeting. The Preliminary Plat does not propose any changes to the property.

Staff, as well as the City's platting consultant, have reviewed the plat and after revisions, finds the plat meets all requirements of the City's Ordinances. Staff recommends that the Planning and Zoning Commission approve the Preliminary Plat and allow the submission of a final plat for consideration and action.
